MULTIPLICATION RUNNING RECORD UPDATED 2016

Multiplication Flexibility Assessment Teacher: We are now going to administer Part II of the Running Record. In this part of the Running Record we are going to talk about what strategies you use when you are solving basic multiplication facts. I am going to tell you a problem and then ask you to tell me how you think about it.

Multiplication Timed Test Record Sheet

I have the students record their scores on a timed test score sheet. I use a different score sheet for each of the operations because it turns into a graph of their increasing speed with the times tables. Students then read their scores to me, so I can record them. This promotes an atmosphere of trust and caring in my classroom.
